VALOR GAMES FAR WEST PARTICIPANTS

Dear Friends:

I am sorry that I cannot be part of the Valor Games Far West this year, but I did want to send you my very best wishes for what I'm sure will be an exciting weekend of competition.

Words cannot adequately express our deep appreciation for your dedicated service to our country, for the tremendous sacrifices you and so many others like you made to keep freedom alive, and, most of all, for the spirit and courage you exhibit on a daily basis. I know I speak for all Americans when I say how proud we are of each of you--true heroes all. The Games are aptly named, for, although you may no longer wear a uniform, you surely represent our country with honor, courage, and, above all, valor. We are ever in your debt.

Let the Games begin!

Yours very truly,

Janet Napolitano
President
