## Archery Competition

2. If an archer is unable to keep the majority of his/her arrows on the target within the first few ends, the archer will be disqualified from the competition.
3. Archers will likely share a target with another competitor.
4. Competition Format:
  - a. All archers will shoot on a single line and will have 2 minutes to shoot 3 arrows.
  - b. This will be a timed event. Whistles and a loudspeaker will be used to communicate the time. Owners of service dogs should note this loud sound issue!
  - c. Novice archers will shoot 30 arrows (10 ends of 3 arrows) at 10m. Recurve and Compound archers will shoot 30 arrows (10 ends of 3 arrows) at either 20m, 30m or 50m.
  - d. Placement will be determined by the qualification round. Only the archer or the archer's agent will be allowed on the field of play during arrow retrieval; if the archer is unable to retrieve his/her arrows and does not have an agent, a volunteer will be provided.
  - e. Closed-toe shoes must be worn by all athletes and agents. Archers will receive 2 ends of practice, immediately followed by scoring.
