

Athlete Code of Conduct

In consideration of my participation in the Valor Games Far West, I understand that I will be representing myself, other Veterans, the Department of Veterans Affairs, the Northern California Paralympic Regional Sport program, and Far West Wheelchair Athletic Association. I understand it is a privilege to compete in the Valor Games.

I understand that if I am found in violation of the Code of Conduct, I may be immediately disqualified from the event and sent home at my own expense. Depending on the type of violation, I may be prohibited from competing in future Valor Games events.

To submit my application, and if selected to compete, I must agree to abide by the Valor Games Far West Code of Conduct as detailed below.

1. I understand that I am subject to a background check.
2. I will behave in a professional, courteous, and respectful manner toward fellow participants, staff, volunteers, and event spectators.
3. I understand that no form of abuse or harassment, whether it is verbal, physical, emotional or sexual, will be tolerated.
4. As this is a sporting competition and the VGFW is committed to supporting each athlete to compete at his or her highest level, I will completely abstain from the consumption of alcohol or illegal substances during the VGFW.
5. I will respect all property at the event, including that of my fellow Veterans. I understand that I am responsible for any damage that I cause. This includes smoking in non-smoking hotel rooms.
6. I will abide by all sport rules and regulations, as published on the event website.
7. I will abide by the decisions of the event officials and Organizing Committee.
8. I understand that if I am late to scheduled events, I may forfeit my participation. Further, if I am late to ground transportation, it is my responsibility to coordinate alternate transportation to get to the event location, at my own expense.
9. I will only travel with a caregiver if it is medically necessary. I understand that due to the costs associated with the event, bringing a caregiver who is not needed for travel or competition means that another Veteran will not be able to attend.
10. If I am traveling with a service animal, I understand that I am responsible for handling my service animal under the ADA guidelines. I understand that dogs whose sole purpose is to provide emotional support do not qualify as service animals under the ADA and are therefore not permitted at the event.

VALOR GAMES
FAR WEST

11. If I am not able to attend the Valor Games, I will contact the event staff via email or phone ASAP. I understand that if I am approved, do not cancel my participation and do not show up, I am taking away the opportunity for another Veteran to attend, and in the future may not be eligible to participate.
